some who nev - er la - bor, yet la - bor's prod - uct get; They

17

nev - er starve or freeze nor face the win - try breeze; They are

21

well fed, clothed and shel - tered, And they do what-e're they please.

lux - ur - y and state; While mil - lions starve and shiv - er, and

35 moan their wretch - ed fate; They know not why they die nor

39 do they ev - er try Their lot in life to bet - ter; They

43 on - ly mourn and sigh. These

49 par - a - sites would van - ish and leave this grand old world, If the

53

work - ers fought to - geth - er and the scar - let flag un - furled; When

57

in One U - nion Grand the work - ing class will stand, The
