Now, work - ing folk, you know you live a life of mis - er - y, So

mp

17

join the u - nion of your class, de - ter - mined to be free; Don't

mp

21

let the mas - ter gouge your lives for man - y years to come, But

25

or - gan - ize u - pon the job and put him on the bum. It's the

30

road to E - man - ci - pa - tion, it's the right way to

36

go, For the toil - ers to run the na - tion and the

42

world, both high and low; Kick in and do your

48

du - ty For it's up to you and me. It's the

54

One Big U - nion of the Work - ers that will

58

bring pros - per - i - ty. Don't

62

be a meek and low - ly slave like lots of those you meet; Don't

66

be a ser - vile scis - sor - bill and lick the boss - es' feet; Don't

70

let them starve you off the earth; don't fear their pris - on cell. Make

74

your laws in the u - nion hall: the rest can go to hell. It's the

79

road to E-man-ci - pa - tion, it's the right way to

85

go, For the toil - ers to run the na - tion and the

91

world, both high and low; Kick in and do your

97

du - ty For it's up to you and me. It's the

103

One Big U - nion of the Work - ers that will

107

bring pros - per - i - ty. Now,

111

work - ing folk, the mas - ters, they have no more jobs to give: You must

115

form the tak - ing hab - it, if you ev - er wish to live. Post -

119

pon - ing meals is su - i - cide on the in - stall - ment plan, So

123

or - gan - ize to get the goods and take them like we can. It's the

128

road to E - man - ci - pa - tion, it's the right way to

134

go, For the toil - ers to run the na - tion and the

140

world, both high and low; Kick in and do your

146

du - ty For it's up to you and me. It's the

152

One Big U - nion of the Work - ers that will

bring pros - per - i - ty.
